

Costs for Advertising on the Stonehaven Land Train 2016 Season (Easter to October)

1. This shows the panels that are 32cm wide by 52cm deep. There are two of these one each side of the wheel chair access at the back. The advert on the back is dibond and is weather proof.

Your advert here there is one of these
panels on each side

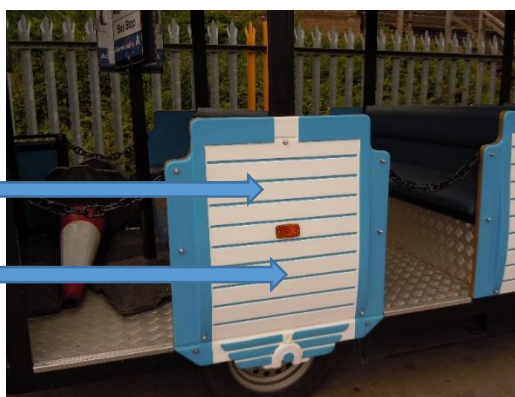

32cm x 52cm

2. This shows one of the side panels which has a light in the middle. There is space for two adverts on each of these they measure 50cm wide by 25 cm deep for the top one and are a little deeper at the bottom 25-30cm deep with a slight curve at the bottom.

Space for one advert above and
one below the light

50cm x 25cm

3. This is the advertising space we have on one side of the train, the centre space with no lights is already utilised.

4. The photo below shows one of the adverts already in place on the land train.

Advertising Costs

32cm x 52cm back panel (photo 1) £500 for the 2016 season (Easter to October)

50cm x 25cm side panel (photo 2) £250 for the 2016 season (Easter to October)
